Dear Parents/Carers

Children's Mental Health Week

As mentioned last week, this week is Children's Mental Health Week. In school, pupils have been thinking about looking after their own mental health, and this morning we shared some of the things we had been doing with the rest of the school.

Internet Safety Day

Also this week, on Tuesday, was Internet Safety Day. So we have also been thinking carefully about how we can treat others with respect online, and what to do if we receive unkind messages. Please talk to your child about keeping safe online at home.

To tie in with Mental Health Week and Internet Safety Day, on the back of this sheet, the 'Check in with your friends' guide gives you and your child ideas of ways to support their friends by sending positive online messages to each other. This was downloaded from National Online Safety – if you haven't signed up yet, just scan this QR code...

After School Clubs

You should receive a letter today offering after school clubs for next half-term. Please return it on Monday or Tuesday next week.

School Council Elections

On Tuesday next week we will be holding elections for our school council, for Reception to Year 6. Nominations need to be given to your child's teacher by end of school on Monday. We can't wait!

Have a wonderful weekend, Mr Elcock (Deputy Head)

Superstars

We are now beginning to hold Celebration Collective Worship (Assemblies) on Friday mornings. We hope that in a few weeks we will, once again, be able to invite parents to join us in celebrating our pupils' achievements. We will let you know when this will happen.

Well done to all our Superstars below...

CHECK IN WITH YOUR FRIENDS

If one of your friends doesn't seem OK, checking in on them can make a huge difference. One in every five children struggles with their mental health, so let's make sure we support each other through any difficult times.
