Dear Parents/Carers

Online Safety

Keeping children safe online is essential in today's world. As many of you know, we subscribe to 'National Online Safety' – a website with excellent resources for helping parents (and teachers) keep children safe online. It is free for parents to use. Please scan the QR code below to take you to National Online Safety so that you can create an account and start accessing the resources.

Scan this code using your phone's camera to go to National Online Safety for access to lots of helpful videos and explainer guides. You will need to create an account.

When you are in, try looking at the 'Guides' for different apps, like Snapchat and Instagram which tell you what you can do to protect your child. The 'explainer' videos are also very good for explaining topics you may not be familiar with. I hope you find it helpful.

Have a wonderful weekend!

Mr Elcock (Deputy Head)
